

The Falcon FUND = The Fundamentals of Education

To All Foothill Families,

Although school looks a lot different these days, the mission of the PTA remains the same, “to make every child’s potential a reality by engaging and empowering families and communities to advocate for all children.” We want to continue to support our teachers and students, especially during this new learning environment we are currently in. The PTA has been able to provide grants this year to teachers for materials for remote learning (examples include: science kits, virtual field trips, bins for home, etc.), but to provide continued support throughout the year, we need to build our Falcon FUND.

We understand that everyone has been impacted by the pandemic in different ways, and everyone’s situation is unique. If you find that you are in a position where you can give to our Falcon FUND, we will greatly accept **ANY** donation amount. **This will be the only major fundraiser this year, so please consider putting all that you can into The Falcon FUND.**

Donate ANY amount to The Falcon FUND by October 19th and receive your PTA Membership – **FREE!!!**
